Dear Carl,

We greatly appreciate your support of the seventh annual St. Jude *Dream Home*® Giveaway in Dallas! Your generous donation to the construction and completion of the 2010 St. Jude *Dream Home* built by Graham Hart Home Builder in Fort Worth helped us raise more than \$700,000 for the kids of St. Jude!

Since Danny Thomas founded St. Jude Children's Research Hospital in 1962, doctors and researchers have brought survival rates for young cancer patients from less than five percent to better than eighty percent today. Your contribution makes possible life-saving research and treatments for nearly six thousand children who are currently patients at St. Jude.

We appreciate your kind involvement in the lives of St. Jude families. Your continued dedication will help this institution continue to save the lives of children worldwide. It is our hope that as you begin to plan for the next year, you will keep us in mind for your 2011 charitable giving. Thank you!

Sincerely,

April Cardinale
Associate Director
ALSAC/St. Jude Children's Research Hospital

St. Jude Children's Research Hospital is internationally recognized as the leader in pediatric cancer research and treatment. The Hospital, which was founded by the late entertainer Danny Thomas in 1962, has treated more than 20,000 children from across Texas, the United States and more than 70 foreign countries. Located in Memphis, St. Jude freely shares its discoveries with scientific and medical communities around the world. The Hospital treats children without regard to race, religion or creed. No family ever pays for treatment not covered by insurance, and families without insurance are never asked to pay.
