Dear Mr. Shea,

Thank you for your generous support of Keep Veterans Smiling! Your \$1500 cash contribution (less \$0 good/services received) will allow us to provide necessary dental services at no cost for those men and women that keep our country safe!

Our goal is to serve United States Veterans to the best of our ability. We hope you will pass along information about our program to your friends and family.

Thank you again for your donation! It is our privilege to work with you.

Sincerely,

Sam Nechamkin, DDS, MS
