

AMARA

4-Light Brushed Nickel Vanity

Description

The Amara vanity light features mesh shades and a brushed nickel metal frame. This vanity can be used for bathroom vanity lighting and offers reliable illumination with an industrial design. This model uses (4) 60 watt medium base bulbs. For even brighter lighting, try using one of our LED replacement bulbs. The clean lines of the frame add interest while the mesh shades give a unique look to the light, enhancing many spaces. The Amara is conveniently sized for interior design purposes and works well with both industrial and modern schemes.
